Subject: Question on OR CZARA Meeting

In your voice mail, you mentioned agreement was reached by all but Lynda. I am curious. What was the agreement?

Subject: OR CZARA: Bullets for 5/13 mtg with NWEA

Hi Everyone - thanks for talking through these complicated and tough issues on the CZARA funding and dates for final action. As Jayne's proxy, I'll say that I think our groups are closer to each other than it might have seemed at times on today's phone call. Here are details on the tomorrow's call with NWEA:

Date: Thursday, 5/13/14
Time: 1-2:30pm PST/4-5:30EST
Call-in number: Non-Responsive (JB, can you be the leader?)
Seattle Location: 20th Floor Cedar Room

I'm out tomorrow, but if you send me comments today, I'll send a final draft tonight and then hand it over to JB to make any last changes, so please cc: all for any changes to the bullets in the attachment.

Ex. 5 - Attorney Client

He asked to join us in Seattle for the May 14 meeting, understanding that his client, as well as NOAA and EPA HQ, will be on the phone. He made a pitch for the effectiveness of in-person meetings. We can talk about this at 9/noon.

Where: Conference line [Non-Responsive] Seattle, Christine's office

Hi Everyone - 9-10am PST/12-1PM EST is the best time for the most people for tomorrow, and I'm hoping that people can rearrange their schedules to come to this meeting. The conference line is [Non-Responsive] We're aiming in tomorrow's call to get to agreement or get close to agreement on how we'll talk with NWEA on Wednesday's call. So when you see below, #2 is what I think we need to focus the conversation on. I expect others will chime in if you disagree.

Here are some of the take home messages I heard from the call today. I'm going to use some wrong legal terms, so feel free to correct, but hopefully, it gets to the spirit of what we discussed. :

1) All options are challenging, but there are different options that may work for NOAA and EPA.

That's it. We didn't get to touch base on the Congressional letter, but will do that after we answer this question and I'd assume after our call with NWEA on Wednesday. Thanks! I'm out of the office this PM for an afternoon meeting, but will check my emails later this afternoon. - Jenny
